Topic: Image Compression 26: Thumbnail, Size, Automatic Download

Speaker: Udemy Instructor Rathan Kumar | Notebook: Django: Automating Common Tasks

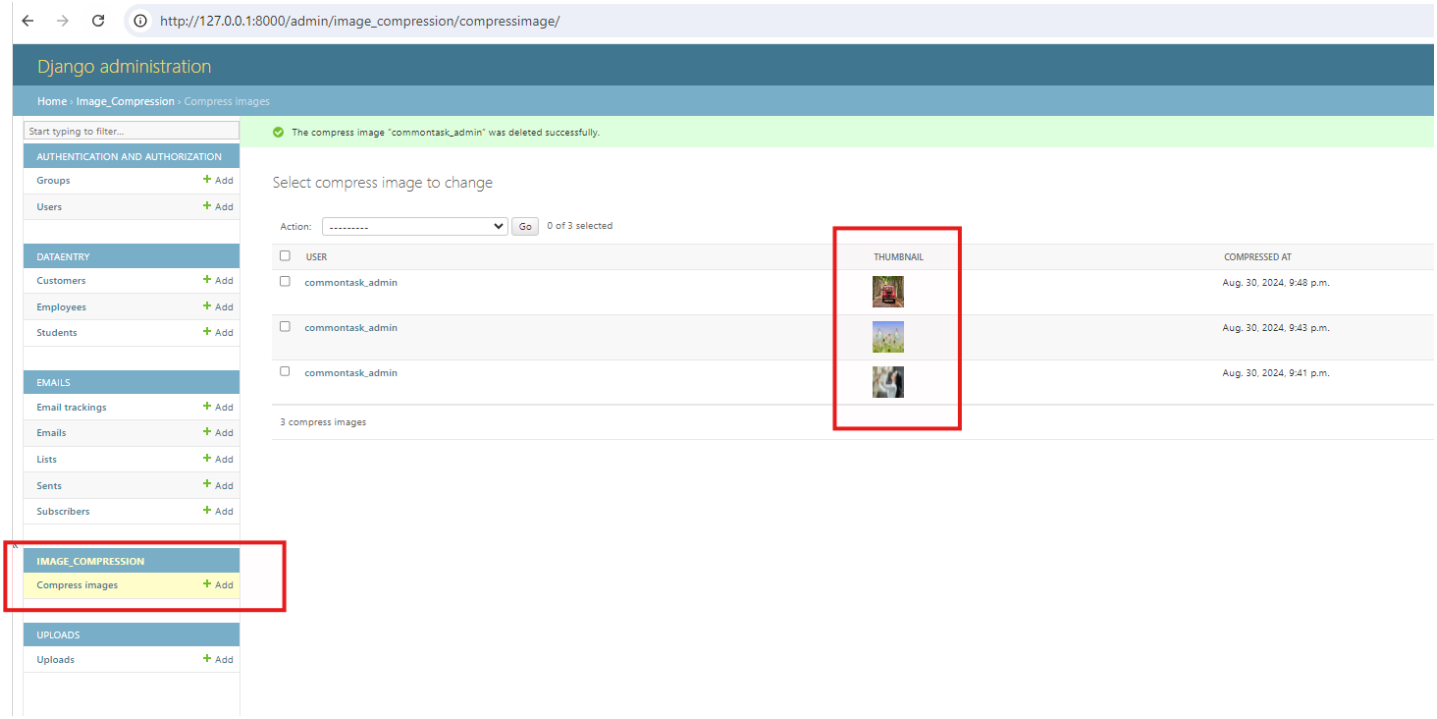

---

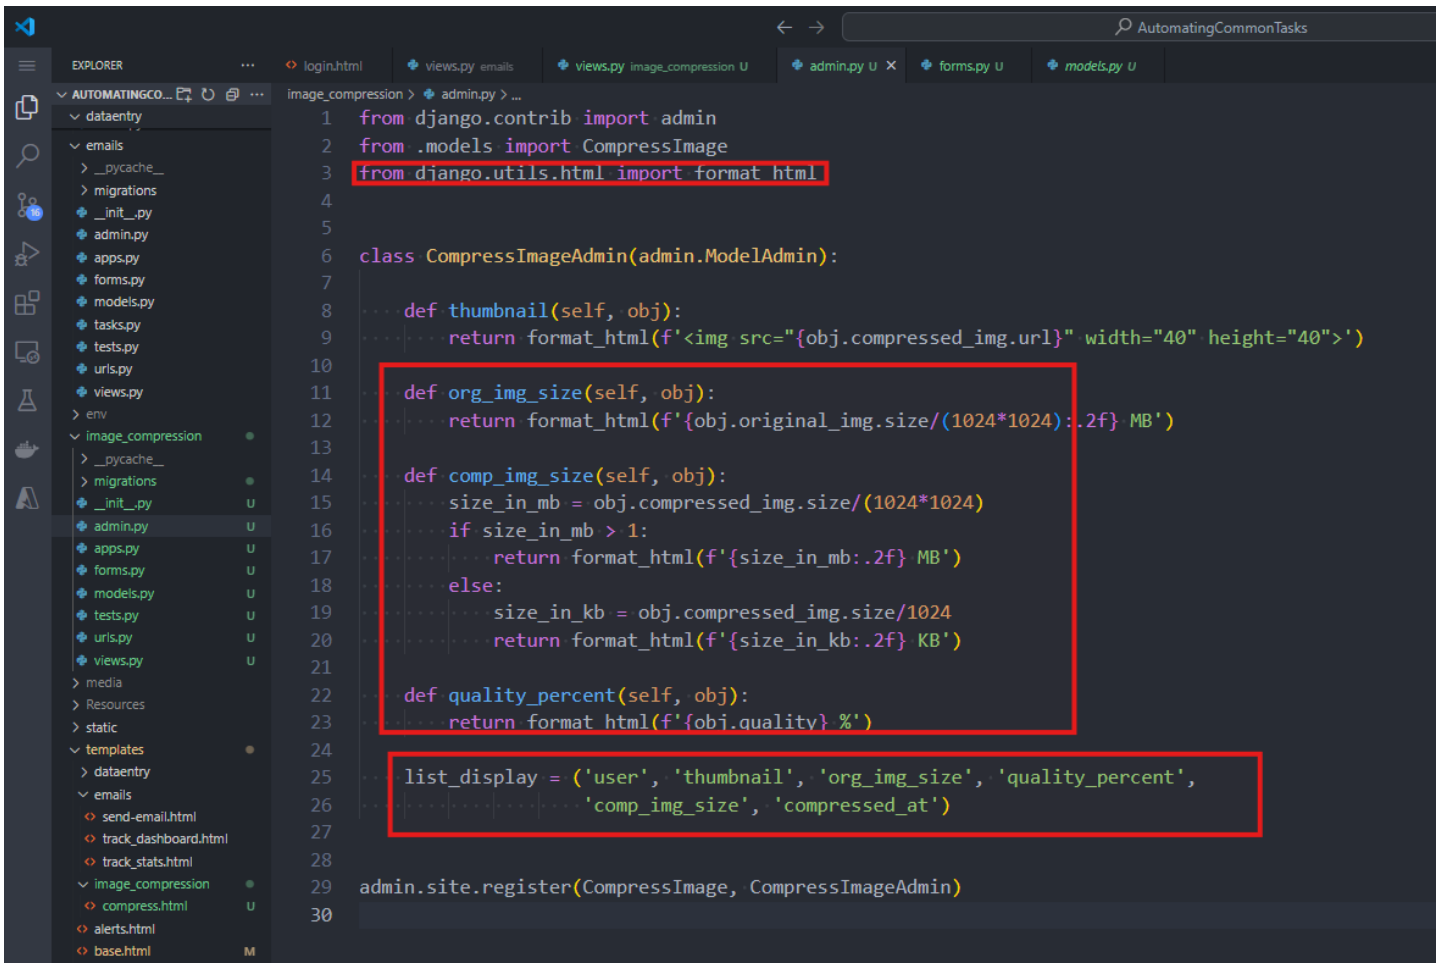

1. We need some thumbnails for our images on the admin dashboard. So, update the ADMIN.PY as:

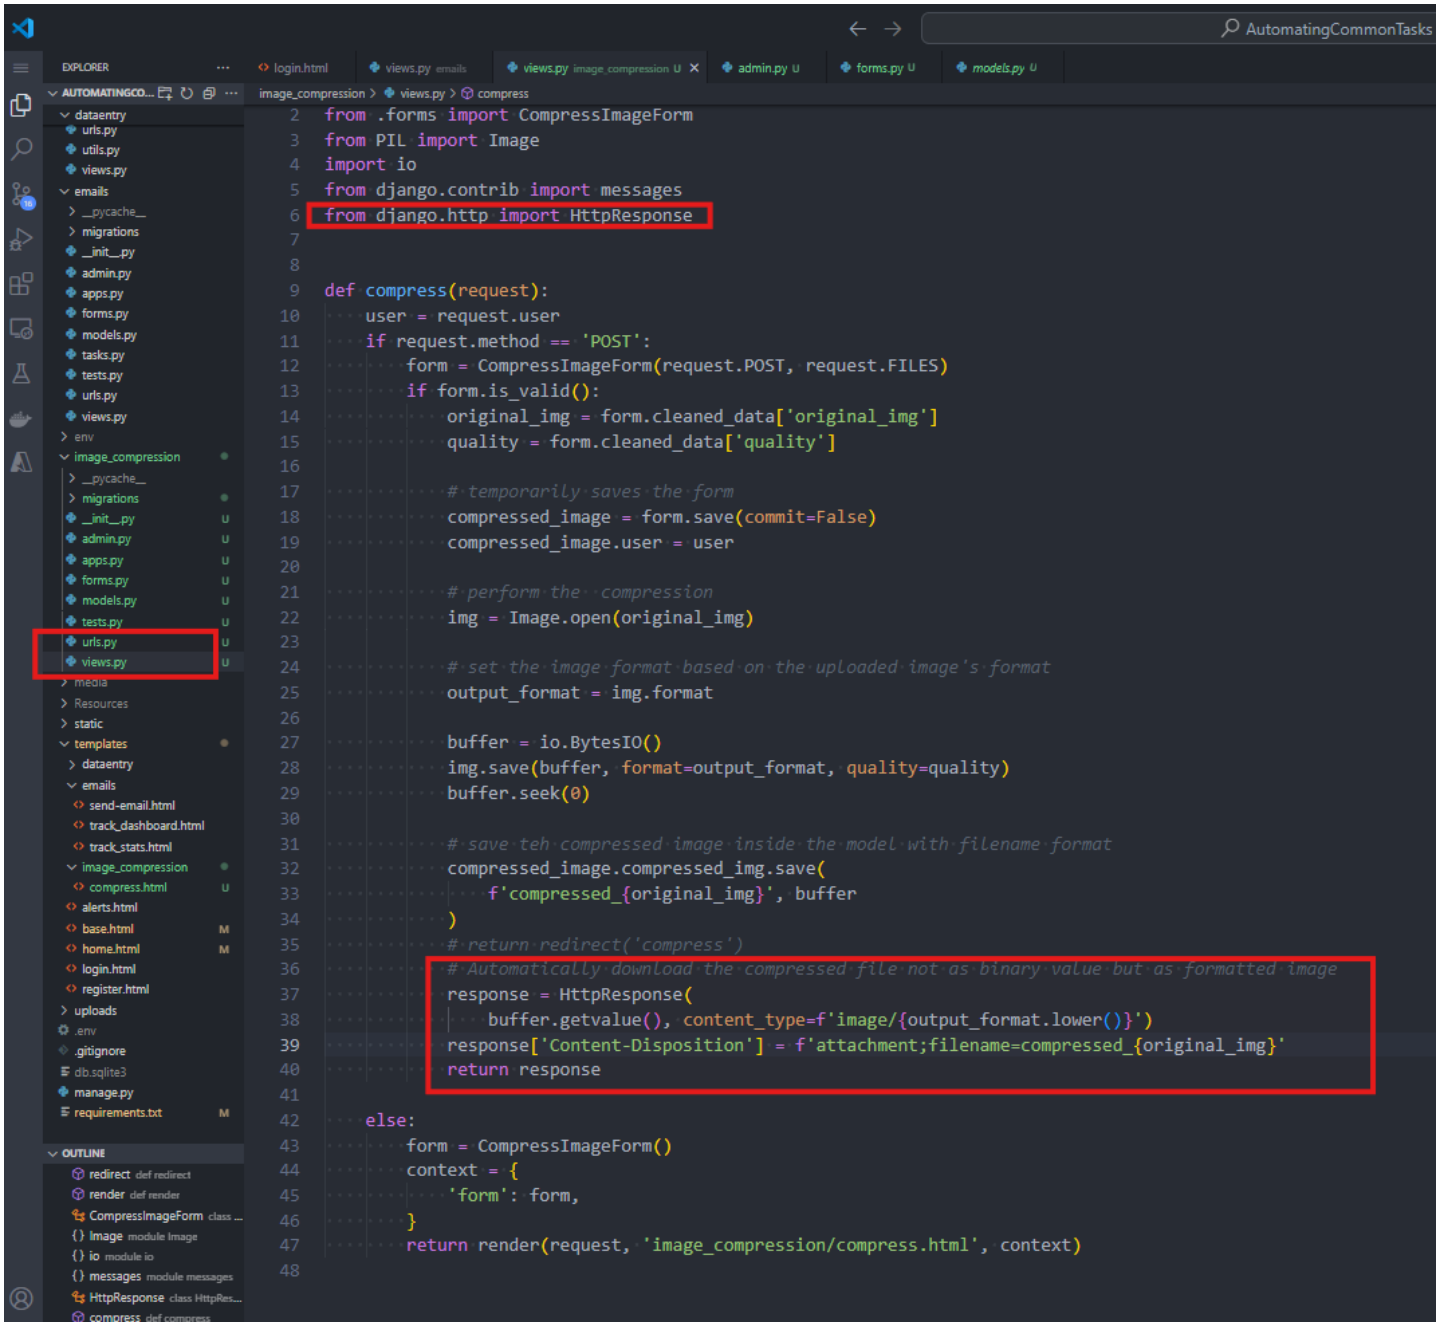

2. Reload your admin panel:

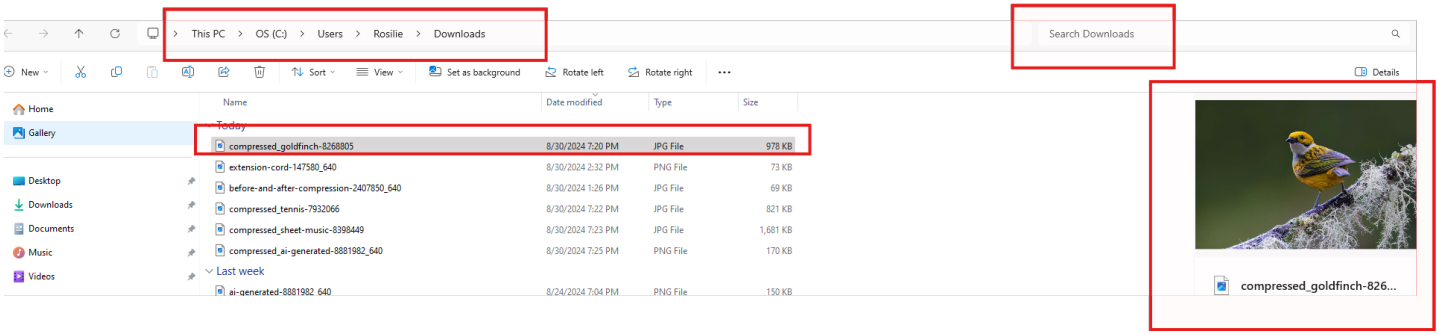

3. To display the original and compressed sizes of the image, in the ADMIN.PY, we update:

4. To allow the user to download automatically the compressed image, we update our VIEWS.PY

5. Open your downloads folder for the images:

6. Push your changes to Github.
